UNITED STATES DISTRICT COURT

FOR THE NORTHERN DISTRICT OF OHIO WESTERN DIVISION

Attention: Jeffrey J. Helmick United States District Judge

Case No. 3:22-cv-366

Albert King, Plaintiff,

v.

Penske Collision, et al., Defendants.

Ref: to the above case status and update

This is an update on the above case,

I am very much sincere in continuing to pursue my case.

However, I have a medical issue going on which has slowed down the process on me working on my case.

The medical issue that I have is **a wired-up broken Jaw for the foreseeable next 8 weeks** and no audibility.

Again I am very much sincere in moving forward on my above case.

Sincerely,

Albert King
